

BEEM - Android XMPP - Bug #394

“Talk” notification

01/23/2012 12:36 AM - Anonymous

Status:	Closed	Start date:	
Priority:	Low	Due date:	
Assignee:	Frédéric Barthéléry	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	0.1.8	Locale:	
Affected version:	hg		
Description			
I just installed Beem 0.1.7_rc1 from the Market.			
When receiving messages, they show up as “Talk” (I guess as in Google Talk?) in the notification tray. I guess they should show up as “Beem”, right?			
This is on the Galaxy Nexus, Android 4.0.2.
