BEEM - Android XMPP - Feature #427

[OTR] auto-start and require options

04/16/2012 06:38 PM - Anonymous

Status:	New		**Start date:**	04/16/2012
Priority:	High		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				

Description

let's do it like in pidgin imo it makes most sense, global options:
[x] enable OTR
[x] auto start OTR
[ ] require OTR
[ ] do not log when in OTR

and then allow to override this for each contact.

At least the global require OTR option is quite important for people that want to keep privacy, so easy to forget to click OTR-Start manually each time.
