BEEM - Android XMPP - Bug #430

Can not add buddy

04/16/2012 06:46 PM - Anonymous

Status:	Closed		**Start date:**	04/16/2012
Priority:	High		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:	0.1.8			
Affected version:	0.1.6		**Locale:**	

Description

When adding any contact from the Beem I fill in:

username: foo@myserver.local
alias:
group:

then adding him it shows message: "Error login" and user is not added.
trying to fill in alias and/or group is not helping

Workaround: do it the other way around (if 2nd user has other IM client)
when the user myserver.local adds me, then it works and I see him later on contact list
