

BEEM - Android XMPP - Feature #464

XEP-0158: CAPTCHA Forms

11/18/2012 03:02 PM - Frédéric Barthéléry

Status:	New	Start date:	11/18/2012
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	XMPP	Estimated time:	0.00 hour
Target version:			
Description			
Add support for servers requiring CAPTCHA (hot-chilli.net) for registration. Psi+ passes URL to user. Thus works fine. No need to render captcha in client.
