Can anyone fix Crash on API 17? Почините ошибку при использовании API17?			

History

#1 - 01/20/2013 11:34 AM - J Pinkava

- File beem_API17_crash.log added

Pleas could You bee more descriptive? Is it crash during account registration?

I have do a try on emulator and attached what I think is relevant part of log.

#2 - 04/12/2013 05:18 PM - Frédéric Barthéléry

- Target version set to 0.1.9
